

Business Ministry Partner Sponsorship Opportunity

Dear Friends and Ministry Partners,

Restart is offering a **new opportunity** to you, our friends and ministry partners. Your business has the option of selecting from **two new ministry partnership choices**. By becoming a new ministry partnership member at one of our new options, you will help Restart Ministry fulfill our mission and labor of love to reach the lost, homeless, imprisoned, addicted, and their families with the love of Jesus. 30% of your membership support goes to the student's tuition for room and board, 20% for counseling, 20% for discipleship/teaching, 10% for vocational training, and 10% for administration.

The **first option** is signing up as a **\$500 monthly ministry partner** and your business would automatically be a platinum advertisement sponsor at all of our annual events (i.e., sportsman banquet, sweetheart banquet, and fall banquet) with **two table reservations at each event**. The **second option** is signing up as a **\$400 monthly ministry partner** and your business would automatically be a platinum advertisement sponsor at all of our annual events (i.e., sportsman banquet, sweetheart banquet, and fall banquet) with **one table reservation at each event**.

In addition to the advertisement and attendance of all our events, members will receive addiction psycho-education for their company employees and addiction intervention support for any company employees or employee family members.

The information on the backside of this letter explains in more detail the additional ministry partnership member benefits you will receive at either the \$500 or \$400 monthly advertisement sponsor levels. Thank you for choosing to partner with our mission and labor of love to the lost, homeless, imprisoned, addicted, and the families connected to them.

Thank you and God Bless you!
